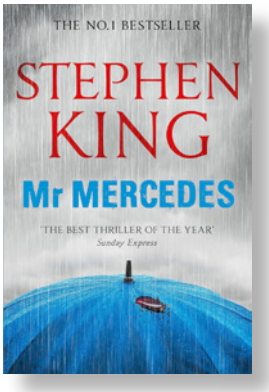
Volunteer book review

By Steve Page

Mr Mercedes - Stephen King



Now, I had always associated Stephen King with horror. And understandably so.

He's a great horror/ supernatural writer. BUT he's just as talented as a thriller/ crime writer.

(And I'm glad cos I'm not a horror fan in the main.)

I was recommended 'Mr Mercedes' and am grateful for it. It's a classic cat and mouse drama – retired cop, Bill Hodges, and the killer from Bill's big unsolved case chat in an anonymous online chat room.

What makes it compelling reading is the Colombo approach of identifying the killer early on and the telling of both characters' stories.

It keeps you gripped with the credibility of each character and the unexpected turns of the plot. Don't expect a fairy tale ending; don't expect a stain-free hero. But do expect to be thoroughly entertained and be sucked into the unfolding story.

Imagine my joy when I later realised that King has written a trilogy featuring Bill Hodges and that some of the other characters have re-emerged in their own thriller. He's savvy, that Mr King.

- Mr Mercedes (now a drama on Amazon as well)
- Finders Keepers
- End of watch
